FOSTER CARE APPLICATION

Thank you for taking an interest in Heartland Humane Society's foster care program. The goal of this program is to provide "special needs" animals another chance at life. "Special needs" animals include litters of puppies and kittens too young to be adopted, nursing cats and dogs, and healthy, adoptable dogs when there is no more kennel space at the shelter. Please completely fill out and submit the application and our foster care coordinator will contact you as soon as possible!
